“How to drive” webinar recording

Online webinar presented by David Murry

David explains driving at COTA, what is important for lap times, and setup information specific to COTA for safety and lap time in an interactive webinar with videos. From the DE driver to accomplished racer, we all need to have us and our car perform well; fast and comfortable to drive. The most affordable improvement you can make. Attend with PC, MAC, iPad, Smartphone from anywhere! No reason to miss.
