

2024 T.R.A.C. PARKING REQUEST FORM INSTRUCTIONS

Please read these instructions carefully before completing the form.

If you attended TRAC last year and were satisfied with the parking space(s) you were assigned, then fill out the form and return it as instructed below. Use the attached 2023 TRAC parking maps/list to locate your 2023 space. Since we are expecting a larger contingent of Club Racers for the 2024 TRAC event, we ask that you economize your requested area as much as possible so that everyone will have room.

If you are part of a team or group and have indicated such when you registered, then only the primary contact person needs to complete and send in a form. This person **MUST** list everyone in the team/group. (If you are unsure about this, then send in a form anyway so that you don't get overlooked)

If you are the primary contact person for a team or group, then fill out both the Contact Information and list the drivers in your team/group. Only the Primary contact person needs to do this. If your team/group attended last year and you were happy with the space(s) you were assigned, then return the form as instructed below.

If you or your team/group wish to have a different space or spaces (or need more **OR LESS** room) then consult the Paddock Parking maps and determine what size space or spaces you need and provide a 1st, 2nd and 3rd choice (if requesting multiple spaces list the range).

If you did not attend last year, then you will need to completely fill out the form. Preferential treatment is given to last year's attendees. New spaces are assigned on a first come – first served basis after returnees have been accommodated.

The **Lester Carport Shelters** in the North Paddock and the **Hagerty Garages** in the Main Paddock are available for rent from **ROAD AMERICA**. If you rent one of these, please indicate so on your request form along with the space number **AFTER** securing the rental from Road America.

Contact Maddie Johnson at Road America for info: Registrar@roadamerica.com

If you are participating in the **David Murry Track Days** event on 8/28 and 8/29 then indicate that on the form and your request will be forwarded to them so that you get your space for the weekend.

Grass parking is on a first come – first served basis **after** reserved parking is completed.

NOTE: Unless you are participating in the David Murry event, there is no access to the track until after 5:00 pm on Thursday, August 29th.

DEADLINE FOR REQUEST SUBMISSION: MONDAY, AUGUST 19, 2024

IMPORTANT! Illegible or incomplete forms will be returned and the request not honored until the form is properly completed and submitted. Any forms submitted after the deadline will be assigned spots on a first come – first served basis dependent on availability.

Please email completed forms to: ssangdahl@comcast.net

Photographs of completed forms can also be sent via text to the mobile number listed below.

Road America Paddock Parking TRAC 2023

Updated: 8/31

These parking maps best reflect the space assignments for race teams and individuals who attend TRAC in **2023**.

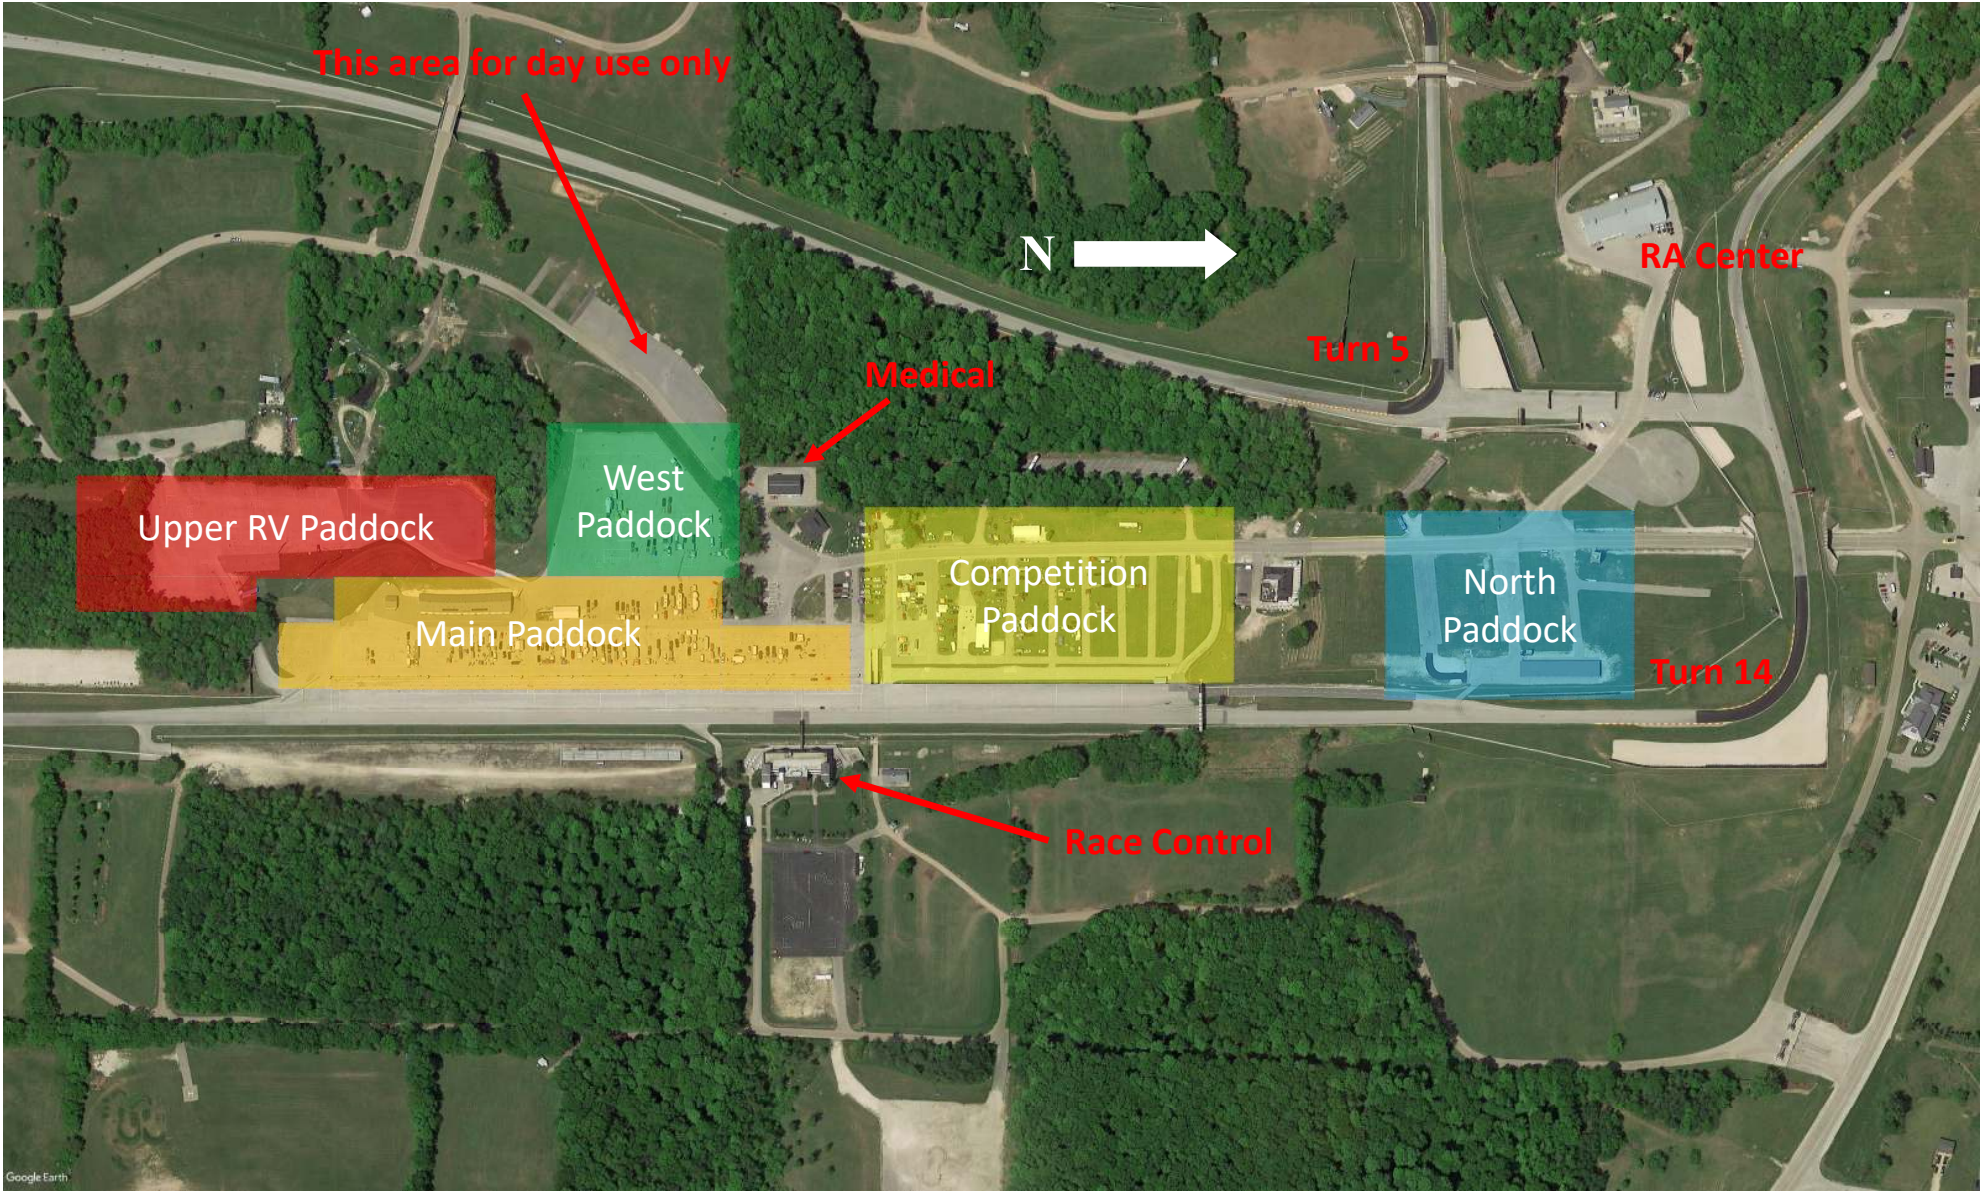

Returning teams and individuals will be given priority to keep their assigned spot for 2024. Others will be assigned on a first come-first served basis.

Note that the Hagerty and Lester Garages are reserved through Road America.

Use the maps to locate your spot from last year when filling out the 2024 Parking Request Form.

Thank you for your cooperation.
