

# **PORSCHE CLUB OF AMERICA - CHICAGO REGION DRIVER'S EDUCATION – AUTOBAHN FULL TRACK SESSION GOALS FOR NOVICE DRIVERS**

## **TOURING SESSION**

- Learn how to get on and off of the track
- Learn where the track goes and begin to learn the racing line
- Identify Corner Worker Stations, curbing, and brake markers

## **SESSION 1**

- Learn how to grid with your helmet and instructor in advance of your session
- Get used to driving faster on the track
- Pass someone and let someone pass you
- Relax your hands and check your gauges on the front straight

## **SESSION 2**

- Practice signaling a pass or making a pass when directed to keep traffic moving
- Identify the turn-in reference point for Turn 2 (not the cone) and two other turns and mark them on your track map
- Use more of the track's width

## **SESSION 3**

- Identify when you turn-in early and correct the issue next time around
- Gradually accelerate and unwind the wheel as you exit each turn
- Add three more reference points to your track map

## **SESSION 4**

- Focus on being smooth
- Combine hard initial braking with gradual release
- Add the remaining reference points to your track map
