

Tour Conduct

- ★ Each driver must possess a current driver's license and automobile liability insurance. PCA also provide liability insurance that covers PCA, the region, the event organizers, and each participant while on the tour. If you intentionally separate yourself from the group, you may not be covered by this insurance.
- ★ Safety is paramount. This driving tour is not competitive or a high-speed driving event. Each driver is responsible for operating their own vehicle safety, and all in route conditions.
- ★ Obey speed limits and all other traffic laws. No passing the tour group leader. They set the pace.
- ★ Pass non-motorized traffic and pedestrians slowly, giving a wide berth.
- ★ Leave a safe distance between cars, generally at least 2 to 3 seconds behind the car in front, or one car length for every 10 mph.
- ★ If you become separated from the group, inform the driving tour group leader or sweeper and obey all posted speed limits and other traffic laws until you rejoin the group.
- ★ Drive with headlights on to increase visibility to other cars. In an emergency, pull over, stop at a safe location, turn on emergency flashers, and advise the tour group sweeper.
- ★ The sweeper plays in important support role and she'll advise the tour group leader of any issues within the group.
- ★ Responsibility for maintaining PCA's excellent history of safe and enjoyable events rest with each of us. Have fun and be safe!
