

Need Race or DE Tires?

On-Site Tires will be providing trackside tire support and tire sales for the **Porsche Club of America Great Plains Region Carrera GT at MPH 2024**. We carry Hoosier, Goodyear, Toyo, Pirelli, Yokohama and Michelin race slicks, competition street and track tires including Pirelli race slicks. We also sell Bridgestone, Nankang and many other DE type tires. We will be providing mounting and balancing, nitrogen filling and tire pressure support.

As a special incentive to Porsche Club Members during the event we are offering FREE installation with the purchase of any Michelin, BFGoodrich or Uniroyal street or truck tires. This offer includes all the Michelin UHP tires like the Cup 2, 4S and the AS 4. Any PCA members or friend that needs tires can order them ahead of time and get them installed at the track during the event. Tire availability is getting better however extra time is still needed to secure tires so call us now for this event.

On-Site Tires is now shipping tires nationwide to PCA members and their families at discounted prices so no matter where you live we will ship tires to you with free freight. The Great Plains Club Race will receive a credit for every tire sold through this program. Use the contact information below and ask for the Ship To Home Program!

On-Site Tires has been supporting PCA club races and DE's for 15 years. We currently provide tire support for 6 PCA club races over 6 states and 20 DE events. Our Trackside tire support program strives to provide the best and we look forward to working with you.

Sincerely,

Chris

The Tire Guy
