There is a maximum 94 dB noise level at Harris Hill (no open exhaust allowed)
Drivers must be 18 or older, possess and present a valid driver's license to participate in the event

EVENT DATE: Saturday, September 21st, 2019

LOCATION: 2840 Harris Hill Road, San Marcos, TX 78666 ENTRY FEE: \$130.00 per driver

There are only 24 slots available. They're filled on a first come – first served basis.

Driver's orientation is at 8:15 AM. (Be there by 7:30 AM, clean out your cars and be ready for classroom orientation by 8:15 AM). Mandatory Tech Inspection from 7:45 am – 8:15 am. Event will be over at approximately 1:00 p.m.

Note: PCA Minimum standard drivers Education Technical Inspection form states "ROLL BAR & CAGES Mandatory for all open or semi-open cars without manufacturer's structural or deploying roll over protection. Any car that does not have that capability cannot participate unless it has had aftermarket roll over protection installed.

Also, when we address semi-open cars that would include 914's and early Targas that have built in roll over protection. So it boils down to early Cabriolets, 356's Cabs & Speedsters, and cars without rollover protection cannot run. All Cabriolets & convertibles will have the tops up.

Registration through Clubregistration.net is needed by the close of business on Saturday September 14th, 2019 or your slot will be given to another registrant. **Completed forms must be sent to Jack Merrell at js67bf@gmail.com no later than September 14th.**
