

### **MaxSpeed Solo Qualification**

In my opinion and as a qualified instructor the below student has the necessary skills and safety awareness to be SOLO QUALIFIED.

Instructor: \_\_\_\_\_ Date: \_\_\_\_\_

Sign: \_\_\_\_\_ Student: \_\_\_\_\_

### **\*\*\*Please rate the student's aptitude in each of the below categories (1 – 5)\*\*\***

\_\_\_ Able to manage mid-corner corrections

\_\_\_ Able to manage quickly approaching a slower car / anticipates the closing distance to slower vehicle

\_\_\_ Conscious of Blend Line / staying track right after pit out

\_\_\_ Consistent / appropriate braking distance

\_\_\_ Consistent track out / corner exit

\_\_\_ Consistently hitting a proper apex

\_\_\_ Good Attitude

\_\_\_ No corner pinching on exit

\_\_\_ One chassis movement at a time (not loading quickly on one side to the other)

\_\_\_ Progressive throttle application

\_\_\_ Quick to point by quicker drivers

\_\_\_ Smoothly off brake / on throttle

\_\_\_ Traffic management - comfortable when following a slower car but maintains appropriate distance until next passing zone

\_\_\_ Traffic management – comfortable when being followed (not driving mirrors)
