

Rock the Summit 2024

Paddock Information & Sponsor Paddock Assignments

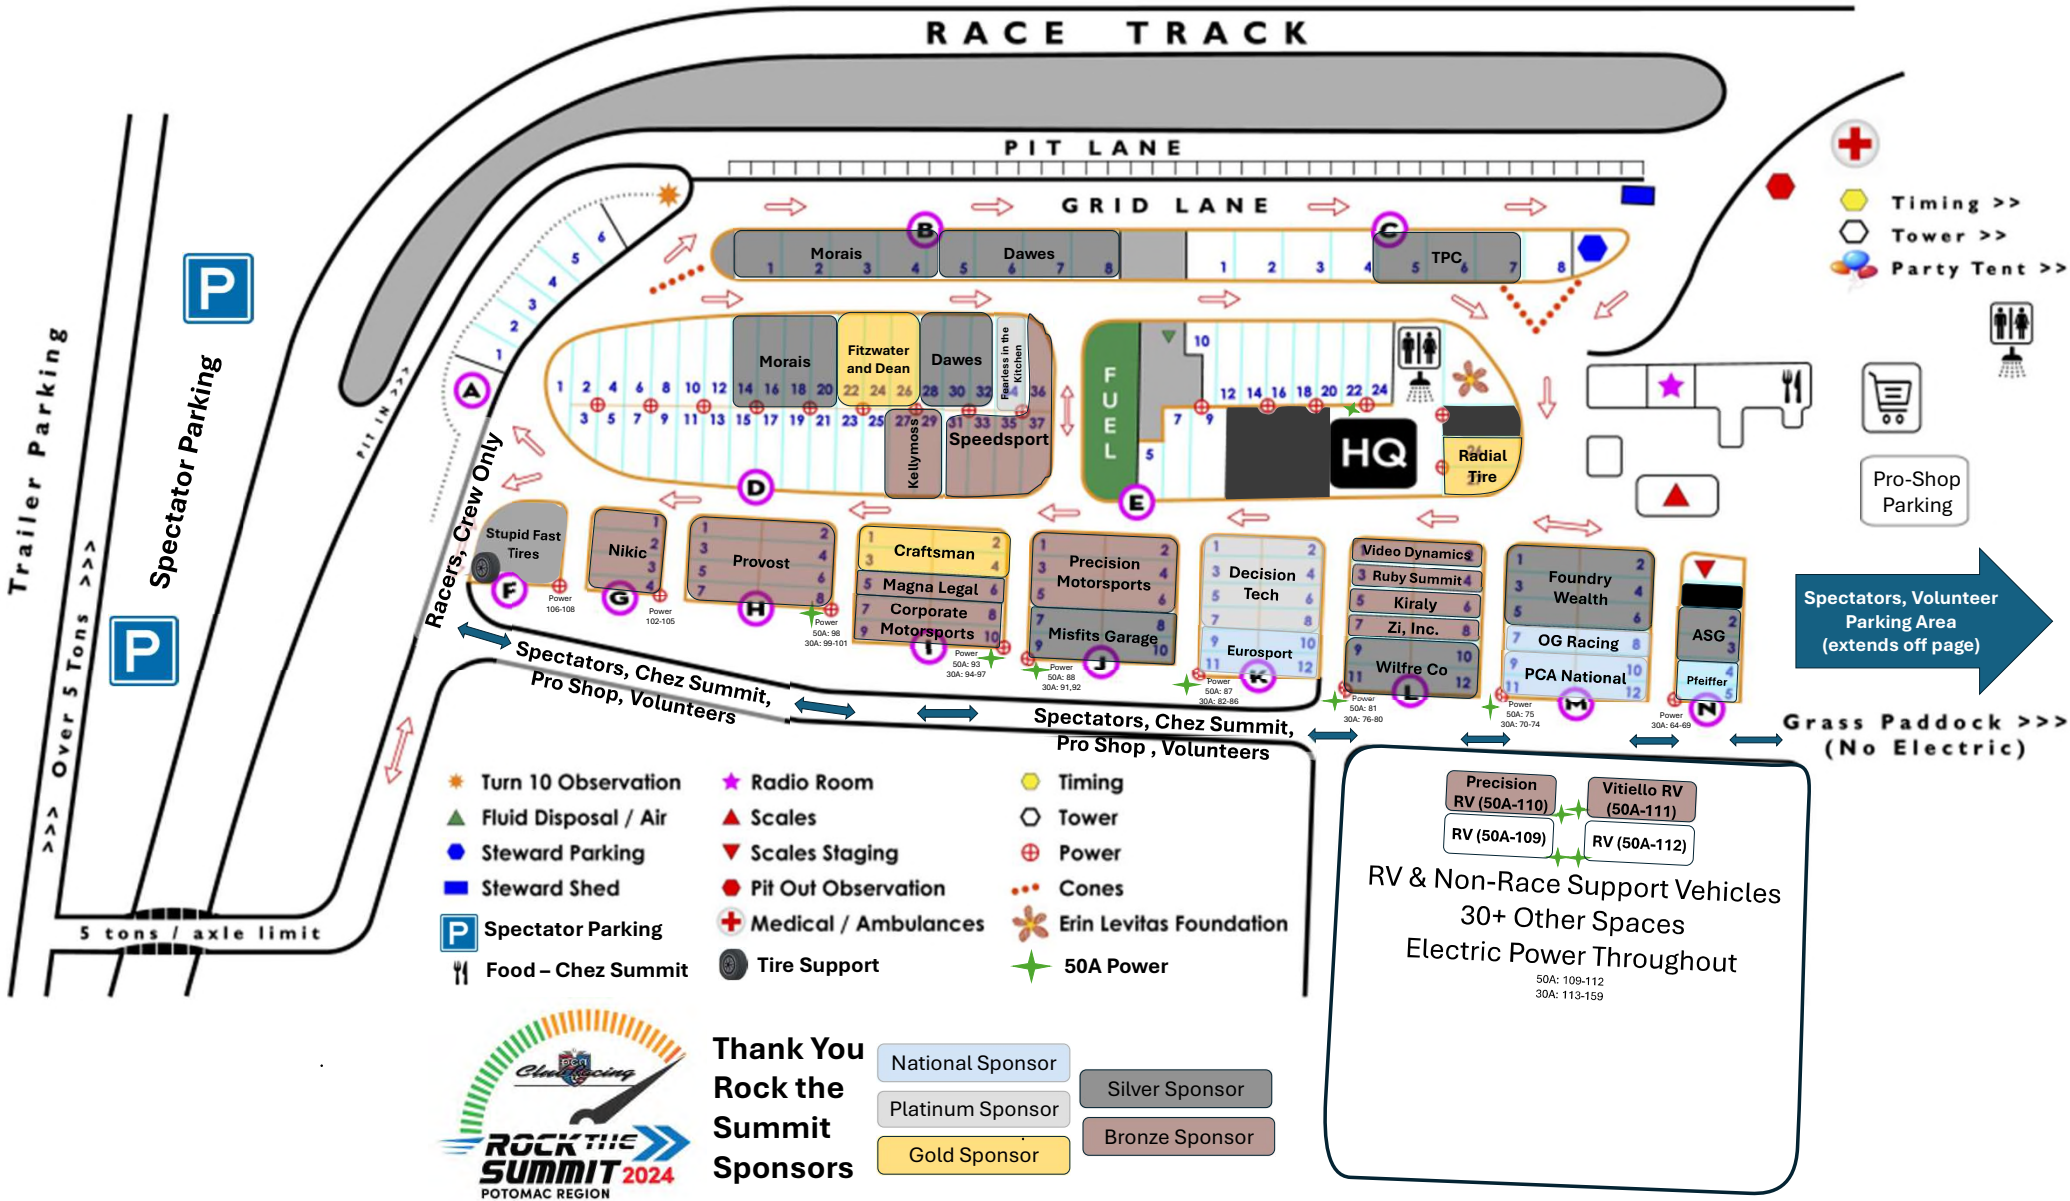

- All Racers will be escorted by Race Staff to the paddock upon arrival.
- If a paddock space has been assigned to you, you must park there.
- 30-Amp power outlets are first come, first serve basis.
- 50-Amp power outlet assignments are noted below.
- All open trailers, after unloading, should be parked outside of Turn 10.
- RVs and support vehicles should be parked in the designated RV/Support Vehicles Parking (the area behind the paddock with 30+ spots/power)
- All vehicles must be parked within the red lines – no exceptions.
- Paddock traffic will only travel in a clockwise direction, including during load-in.
- For any issues, please flag down Race Staff.
