

## **Need Race or DE Tires?**

**On-Site Tires** will be providing trackside tire support and tire sales for the **Porsche Club of America 2024 Rocky Mountain Thunder Club Race at High Plains Raceway**. We carry Hoosier, Goodyear, Toyo, Pirelli, Yokohama and Michelin race slicks, competition street and track tires including Pirelli race slicks. We also sell Bridgestone, Nankang and many other DE type tires. We will be providing mounting and balancing, nitrogen filling and tire pressure support. On-Site Tires will be providing support Friday, Saturday and Sunday during the event.

Any PCA members or friends that need tires can order them ahead of time and get them installed at the track during the event while they spectate. Tire availability is getting better however extra time is still needed to secure tires so call us now for this event. Feel free to call, text or e-mail us.

On-Site Tires is now shipping tires nationwide to PCA members and their families at discounted prices so no matter where you live we will ship tires to you with free freight. The Rocky Mountain Region will receive a donation for every tire sold through this program. Use this contact information to call, text or e-mail us, **720-410-7007 info@on-sitetires.com**, and ask for the Ship To Home Program!

On-Site Tires has been supporting PCA club races and DE's for 15 years. Our Trackside tire support program strives to be the best and we look forward to working with you.

Sincerely,

Chris

The Tire Guy
