

2024 Power Fee Q & A

- Will power fee cover for a weekend or week or single day?
Duration will be for one week only (starting day will be Monday and ending on Sunday)
Single day price not available.
Each week tag will have its own color.
- Which power amps will the power fee apply to?
50 / 30 / 110
- How are we collecting power fees?
Credit Card
- What will I receive with each \$100 power purchase?
Each \$100 power purchase will receive a Tag and zip tie that will go around the end of the power cable that plugs in at the outlet point.
- Will I pay for multiple connections at a pedestal?
Yes, a 50-amp connection and a 110v connection will count as two separate connections. The total will be \$200 for both connections and each will have its own tag.
- Will security people who do the track waivers collect this at time of registration or Gate entries?
Yes, our gate guard will collect either at Gate location or if registration is staffed by us.
- Will track renter or organization receive any comp for their own?
Yes, but limited to only owners or main organizers, not all staff. (Jimmy Anzueto will provide this information).
