SUNCOAST PCA DRIVERS EDUCATION – DRIVER PROMOTION

Student Driver Name (PRINT) _____

Vehicle Info _____ Date _____

BLUE TO WHITE (SOLO)

Criteria for advancement to **White**: Knows all corner worker stations; Knows all flags, and safety procedures; Demonstrates safe and courteous track behavior; Demonstrates ability to drive offline in safe and controlled manner; Is able to maintain similar pace to other solo drivers on track.

Promotion Sequence:

Student rides with instructor in a white session- instructor will demonstrate speed and expanded passing zones.	Occurs during a white session with first instructor
Student drives with an instructor in the white run group.	Occurs during a white session with first instructor
Student drives with a check out instructor in the white group.	Occurs during the white group
Student is granted solo status	he/she will drive in White with an "X" on back of car for 2 days.

First Instructor: Name (Print) and Signature: _____

Check-Out Instructor: Name (Print) and Signature: _____

Turn in Form to Registrar to obtain White armband – wear both Blue and White
Evaluation information and promotion must also be entered into Clubregistration.net

Student must keep track of DE Event solo dates, e.g., the 2 days he/she will drive in White with "X" on car and be prepared to provide information to CTI or DE registrar if there are any questions about driving history.

WHITE to BLACK / PINK (full course passing)

Generally, a driver will need at least 10 days driving in white before advancing to Black or Pink. There will be some exceptions approved by the CTI. When a driver is ready to request being moved to Black or Pink, a senior instructor will be assigned to him/her to do a check out ride and to review/teach full course passing procedures.

Check-Out Instructor: Name (Print) and Signature: _____

Turn in Form to Registrar (Pit stall #30) after Final Check-off completed

Evaluation information and promotion must also be entered into Clubregistration.net

Congratulations!
