## SUNCOAST PCA – SEBRING DRIVERS' EDUCATION (DE) EVENT CHECKLIST

---

### REQUIRED ITEMS TO PARTICIPATE IN THE EVENT

- Pre-Event Tech Inspection Form (completed and signed)
- For on-site tech, tires should be inflated to 30 psi minimum
- SNELL rated SA2010 or newer, open or closed face helmet with strap
- Long or short sleeve shirt, strongly recommend of cotton or linen (no synthetic fibers)
- Long pants or shorts, strongly recommend of cotton or linen (no synthetic fibers).  
Note – Sebring track officials do not allow shorts in the hot pits but, given our DE cars are not refueled in the hot pits (like race cars) the requirement may be waived in extremely hot weather.
- Closed toe, flat soled shoes, preferably leather or cotton canvas
- Full tank of gas (gas is available on track but very expensive, the closest gas stations are about 6 miles away)
- Pen or pencil
- Driver's Logbook (if you have one from a previous event) – a logbook will be provided to all new students
- Sunglasses
- Make sure your cell phone is entered into your ClubReg profile, we use that system to send event updates and schedule changes via text messages to drivers

### SUGGESTED ITEMS TO BRING TO THE EVENT

- Lawn chair(s)
- Cooler with water or Gatorade - water is often available in the Reeves Suite, 2<sup>nd</sup> floor of the tower but not guaranteed
- Breakfast and lunch are available at the track from the Snack Shack, they accept cash only. No food is included with your registration.
- Hat, visor, sunscreen, umbrella
- Garbage bag or small tarp in case it rains and you need to protect personal items outside of the car
- Tire gauge
- Painters tape – can be used to put numbers on your car
- Extra oil, brake fluid, water and/or anti-freeze, paper towel or rag
- Short sleeve shirt to change into between runs
- Note pad for notes
- Camera
- Family member or friend to cheer you on! Spectators are free but must register on-site, sign the PCA waiver and receive an arm band. There is a special form for minors (under the age of 18). No minors are allowed in the garage / pit stall area.
